For the appointment of

Teacher of Mathematics

September 2026

Love to learn

Seaford College

Seaford is a leading HMC co-educational Day and Boarding school of over 900 students. The school is made up of three parts; the Sixth Form, the Middle School (Year 9-11) and the Prep School (Reception to Year 8).

Seaford is a genuinely warm, friendly school with excellent teaching and learning across all departments. Alongside our strong academic core, we offer a world-class pastoral care and an impressive programme of co-curricular activities that is always growing.

Seaford is nestled in over 450 acres of the South Downs National Park, just 10 miles north of Chichester, West Sussex. Our vibrant and forward-thinking community thrives in this environment, nurturing academic excellence, sporting success and creative talent.

Seaford steers away from the traditional Independent School norm and is academically non-selective, preferring to create a stimulating and caring environment for our students where they can fulfil their personal bests inside and outside of the classroom. We look for young people who will get the most out of, and enjoy, the opportunities that Seaford provides – academic, sport, cultural, social, creative – and who will make their own positive contributions to school life.

The vast majority of students who leave us from the Sixth Form go on to study at universities, art schools or conservatoires including many Russell Group universities, Oxford and Cambridge.

The school moved to its current home of Lavington Park in the 1940s. Recent years have seen significant investment in the infrastructure of the site, including a new Learning Resources Centre, English Department, Sports and Performing Arts Centre and Sixth Form Centre.

The Department

Teacher of Mathematics

Reporting to Tia Bedford, Head of Maths

Anybody interested in the role can make direct contact with Tia by email: tbedford@seaford.org and is welcome to come and see the department and have a tour of the school.

Please contact Tia if you would like to discuss your application. Strong applicants may be invited for an interview as soon as their applications are received.

Facilities and equipment

The successful candidate would have their own classroom equipped with a dry wipe board and interactive whiteboard. On top of this, they would have a desktop computer and Seaford iPad with access to an Apple TV for screen mirroring. All students are equipped with an Apple iPad.

Ethos

We are a supportive, close department, we believe in regular recall for students in lessons, clear explanations and lots of student practice. Seaford students are well mannered and keen to do well and so teaching them maths is a delight.

Curriculum

Students at GCSE study the Edexcel IGCSE linear course and at A level they study the Edexcel linear course. We aim to get the vast majority of the GCSE course taught by the end of Y10 and our schemes of work reflect this.

Co-curricular

The department offers regular Maths support from students in prep time. We enter the UKMT mathematics challenges annually. Our staff also get involved with other clubs and activities outside of the department such as Chess Club, Football, Rugby, CCF etc.

The Applicant

The suitable candidate will enjoy teaching. They will want to provide students with excellent instruction and create a purposeful working environment for them. There is potential to teach all ages from Year 7 up to A level.

The applicant will:

- Be a strong team player.
- Demonstrate self-reflection, a desire to learn and be student-centred in their approach to teaching.
- Be collaborative within the department, contributing towards department goals and projects.
- Be organised and efficient.
- Be adaptable.
- Have excellent inter personal and communication skills.
- Have a 'can do' attitude.
- Contribute to the wider life of the department and school through involvement with co-curricular activities and as a form tutor.

Love to learn

The Seaford Teacher

Teachers at Seaford are expected to contribute to school life outside of their day-to-day classroom activities.

Co-curricular

All teachers at Seaford are expected to offer, or contribute to, a club or activity within the school's co-curricular programme. Teachers offer a range of clubs within the areas of Sport, Performing Arts, Outdoor Education and CCF, Creative Arts and other Academic and Cerebral areas.

Pastoral and Academic Support

Most teachers are expected to be a form tutor for a particular year group. Our tutors act as the 'go to' individual for our students and are an important link between the teachers and our parents.

Boarding

With over 20% of the student body boarding, there are opportunities for teachers to get involved in the boarding community throughout the week. We welcome those who wish to undertake boarding duties or other enrichment activities for our boarders.

Safeguarding and equal opportunities

Seaford College is committed to safeguarding and promoting the welfare of children and young people. All our staff and volunteers are expected to share this commitment and are trained accordingly. Our safeguarding policy and commitment to Keeping Children Safe in Education and our equality policy are paramount in everything we do.

Seaford College is an inclusive community that actively promotes equal opportunities for all students and staff regardless of protected characteristics. We welcome and promote the diversity of our students and staff. The wide range of cultural, racial, socio-economic, and religious backgrounds enriches the College community and helps to promote tolerance of others and their beliefs. We particularly welcome applications from under-represented groups including ethnicity, gender, transgender, age, disability, sexual orientation pregnancy (or maternity), religion or other.

All successful applicants will be subject to full compliance with documentation including identification, right to work and an enhanced DBS check together with provision of references and other checks to our satisfaction.

Our Location

Seaford is situated in the beautiful South Downs National Park and is surrounded by popular towns and villages. Local train stations are in Chichester, Pulborough and Haslemere with lines into London, and it takes 55 minutes to drive to Gatwick Airport.

Popular beaches are close to Seaford College and West Wittering is a popular location for water sports. There are many opportunities for sailing, walking, cycling, golf, equestrian pursuits and historical sites. The county is famous for its country pubs, local vineyards and award-winning restaurants and delis.
